Cameron Aiken – Owner

2022

23326 Hwy 48, Sutton West ON L0E 1R0

Cell: 905-251-1349

PORTABLE SAWMILLING SERVICES

Please Note:

Logs must be free of dirt, stones, metal or any other debris.

Logs that are identified as unsafe by Cameron Aiken will not be milled.

Logs that are shorter than 4 feet are unsafe to be milled.

Terms of Service for logs delivered to AikenKraft address for milling

1. Logs delivered to my property are milled at a rate of \$95/hr. for man and machine with a 1 hr. minimum + cost of blades (each blade is \$40 and should cut numerous logs depending on their species and condition...hardwood is harder on the blades than softwood typically...nails and other foreign objects embedded in the wood can ruin a blade very quickly)
2. Assistance can be provided by the customer on site provided they sign a waiver prior to commencement of any work excluding AikenKraft from any liability associated with the milling services provided.

Terms of Service for Portable Sawmilling on customer's property

1. Logs are milled at a rate of \$95/hr. for man and machine with a 2hr. minimum.
2. A set up and teardown fee of \$95 will be applied per day.
3. Blades used are charged at \$40 per blade.
4. Assistance can be provided by the customer on site provided they sign a waiver prior to commencement of any work excluding AikenKraft from any liability associated with the milling services provided.

Travel

1. Transportation of the mill to and from a customer's site is charged at \$75/hr.
2. Travel costs may be waived for local customers
